

KOBAYASHI, Hayao Professor Emeritus	The Order of the Sacred Treasure, Gold Rays with Neck Ribbon
SATO, Sota Life and Coordination-Complex Molecular Science	Japan Union of Chemical Science and Technology, Chemistry Communication Award 2023 “Dissemination of Cutting-Edge Molecular Science that Appeals to a Broad Audience” The University of Tokyo, 2023 Faculty of Engineering Best Teaching Award “Analytical Chemistry III & Structures Analysis Classrooms”
TANIMOTO, Shoichi ITO, Satoru G. OKUMURA, Hisashi Theoretical and Computational Molecular Science	Best Author Award, Japan Society for Simulation Technology “Molecular Dynamics Simulations of the Ligand Recognition by SARS-CoV-2 RNA-dependent RNA Polymerase”
TAIRA, Yoshitaka UVSOR Synchrotron Facility	Young Scientist Award of the Japanese Positron Science Society “Positron Annihilation Spectroscopy Using Ultrashort Pulsed Gamma Rays in UVSOR”
OHNUKI, Jun Theoretical and Computational Molecular Science	Young Scientist Excellence Award of the Protein Science Society of Japan “Integration of AlphaFold with Molecular Dynamics for Uncovering Conformational States of Transporter Proteins”
HARASHIMA, Takanori Life and Coordination-Complex Molecular Science	Young Researcher Award at the 7 th Annual Meeting of Molecular Robotics “Strategies for the Design of DNA Nanoparticle Motors with High-Speed and Long Run-Length”
KOSUGI, Takahiro Research Center of Integrative Molecular Systems	The 13 th National Institutes of Natural Sciences Young Researcher Award “Control of Protein Complexes for Life Science Research”
YONEDA, Yusuke Research Center of Integrative Molecular Systems	PCCP Prize 2024 “Complex Electron-Nuclear Dynamics of Excited States in Condensed Phases Revealed by Ultrafast Nonlinear Spectroscopy”
SATO, Takuro Research Center of Integrative Molecular Systems	Young Scientist Award of the Physical Society of Japan, 2024 “Study of Novel Non-Equilibrium Electromagnetic Responses in Strongly Correlated Electron/Spin Systems”
NAGAO, Haruyo Instrument Center	ARIM Japan The Best Technical Support Contribution Award “Technical Support Using NMR and Thermal Analysis Equipment, <i>etc.</i> ”
