

FOREIGN SCHOLARS

Visitors from abroad are always welcome at IMS and they have always played an important role in the research activities of the Institute. The foreign scientists who visited IMS during the past year (Aug. 1997 - Aug. 1998) are listed below.

*¹ indicates attendance at an Okazaki Conference; *² a MONBUSHO (the Ministry of Education, Science, Sports and Culture, Japan) or JSPS (the Japan Society for the Promotion of Science) Invited Fellow; *³ an IMS councillor; *⁴ an IMS visiting professor or associate professor from abroad (period of stay from 6 to 12 months); *⁵ a JSPS Post-Doctoral or Ronpaku Fellow; *⁶ an IMS visiting scientist and *⁷ a visitor to IMS.

Scientists who would like to visit IMS under programs *² and *⁴ are invited to make contact with IMS staff in their relevant field.
