How to temporally save an application

Click on Save App. in the green bar at the top left of the application form to temporarily save the updated information.

Click "OK" when the confirmation screen "Do you really update your application data?" appears.

- Some items, such as expenses, will not show up in the auto-calculation results until you have temporarily saved them.
- •Even you have submitted your application, you can edit it as many times as you like until the application deadline.
