

Reset your password

- Please select the “Reset password” menu on the login page.

The screenshot shows the NOUS login page. The navigation bar at the top includes links for NOUS, Help, New User, Reset Password, and Contact Us. The 'Reset Password' link is highlighted with a yellow box. Below the navigation bar, there is a large yellow arrow pointing upwards to a yellow-bordered box containing the text 'Reset Password'. The main content area features a login form with the following sections:

- Login with your credentials:** Includes input fields for 'Login ID:' and 'Password:', and a green 'Login' button.
- Shibboleth authentication:** Includes a paragraph of text: "For your single sign-on to NOUS, your institutional identification provider (IdP) must allow the 'eduPersonTargetedId' attribute to be referred by the NOUS service provider (SP). You should also agree to do so in the confirmation dialog." and a green button labeled 'Login via Shibboleth'.

- Please enter your login ID twice and click the “Enter” button below.

The screenshot shows a web form titled "Reset Password" with a green header bar. Below the title, a message states "An e-mail will be sent to inform your dedicated page for password reset." The form consists of two input fields, each with a light green label. The first field is labeled "Enter your Login ID." and the second is labeled "Enter your Login ID again for a confirmation." Both input fields are outlined with a red border and contain a red circled number "1" and "2" respectively. Below the input fields are two buttons: a teal "Cancel" button and a teal "Enter" button. The "Enter" button is highlighted with a yellow border. A yellow arrow points from a separate yellow-bordered box containing the word "Enter" below the "Enter" button to the "Enter" button itself.

- Enter your new password in the upper and lower columns and click the “Change” button below. Passwords should have more than 9 characters, at least one upper or lowercase letter, and one alphanumeric symbol.

The screenshot shows a web form titled "Change Password" for the email address sonomit@orion.ac.jp. It features two input fields: "New password" and "New password again". Both fields are highlighted with a red border and contain ten dots, with circled numbers 1 and 2 next to them respectively. Below the fields are "Back" and "Change" buttons. A yellow arrow points from a larger "Change" button at the bottom to the "Change" button on the form. A note at the bottom explains password requirements in both English and Japanese.
